MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Camden, N. J.—"It is with pleasure that I add my testimonial to your already long list—hoping that it may induce others to avail themselves of this valuable medicine, Lydia E. Pinkham's Vegetable Compound. I suffered from terrible headaches, pain in my back and right side, was tired and nervous, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound restored me to health and made me feel like a new person, and it shall always have my praise."

—Mrs. W. P. VALENTINE, 902 Lincoln Avenue, Camden, N. J.

Gardiner, Me.—"I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months."

—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

No More Tire Trouble If You Use Standard Tire Protectors

They take all the hard knocks, stone or glass cuts and bruises that a tire tread is constantly subject to, and preserve the tire in its original strength, thus eliminating the danger of the blow-out, the "bug-bear" to the automobilist. When once in place it positively cannot creep or come off. It adds to the resiliency of the tire. It actually saves more than half the tire expense. A number of sets of these protectors are in constant use here, and are giving entire satisfaction.

Standard Tire Protectors save you Time—Expense—Worry. Call or send for latest booklet, which fully explains the "facts" about Standard Tire Protectors.

"THE RUNAWAY GIRL" FOR TONIGHT'S SHOW

"The Runaway Girl," considered by many to be the brightest and catchiest of all the bright and catchy musical operas in the repertoire of the clever little youngsters, will be put on tonight, and will run for the rest of the week, giving place Saturday night to a vaudeville show by the entire cast.

"A Gaiety Girl" was a great success. Every house was crowded to the doors, and the matinee yesterday brought out a record house, the Opera House being packed full. Some new stars have appeared in this opera, and will be seen later in more important parts. Miss Ada Hind, who made a hit in "A Gaiety Girl," is the leading part in "The Runaway Girl." It is full of sparkling songs, and is one of the funniest and most picturesque of successful musical comedies. The Lilliputians are at their very best in this play, and it will undoubtedly have as good houses as "A Gaiety Girl."

LOST ANCHORS ARE RESCUED FROM BAY

Harbor Is Dragged And Mud Hooks Come To Light

Captain Johnson of the lighthouse tender Kukui, yesterday succeeded in locating and picking up the anchors used in pulling the transport Logan off the coral reef. The big hooks weigh about 800 pounds each.

It was difficult to locate the anchors as they had sunk deep into the mud, but Diver Lyle went down and found them. He could not loose them, however. In order to do this small anchors were thrown into the harbor and by carefully dragging them over the big anchors, a catch was made. Chains were then attached and the powerful crane of the Kukui did the rest.

The anchors, one of which belongs to the Logan and the other to the Naval Station, are now lying on the naval dock.

The greatest altitude so far attained by other explorers is 22,000 feet. The Duke will leave on his expedition about the end of March.
